MANUFACTURERS CERTIFICATE

WARRANTY

The manufacturer warrants this product for a full 24 months from the date of original purchase. Warranty is applicable only to defects and/or malfunctions caused by faulty workmanship or materials. Microsource's sole obligation under the warranty is to repair or replace any defective component or product in part or whole. Microsource shall be the sole arbiter of such action.

In the event of alleged defect under warranty, the purchaser is to notify Microsource promptly. Customer Service will provide instructions. Shipment to Microsource and the cost thereof is always the responsibility of the purchaser.

Any repairs undertaken or attempted by unqualified and/or unauthorized persons or misuse of this product will invalidate this warranty.

Microsource does not assume any risks or liabilities arising from the clinical use of its products, whether or not such use involves coincidental utilization of products manufactured by others.

Microsource makes no warranty other than that stated above, expressed or implied.

“You won't believe how much power comes out of such small power supplies, and they're SO cute!”

Dr. Dixon

You'll love this latest addition to our line of power supplies! Believe it or not it's digital. It's small enough to fit in the palm of your hand yet powerful enough to run your coil machine and, get this... it's gentle enough to run your rotary. Made in the U.S.A. this little toughy produces big power and works with Footpedal

#8470
